Mr. Sears Las made one of the most efficient assessors the county has ever had, and white other candidates have been electioneering, he has been busy in the discharge of his official duties, and his manione numination indicates the approval of his acre as assessor during the past two years. His opponents could not answer it. Wm. H. Our rule, to allow both sides a hearing permits the publication of Mr. Watkinds' letter, but as the master seems to be a question of verzeity between Grover and Watkinds on openide, and John M. Thompson or the other, the general unbiased opinion will be that the weight of the testimony is not or the side of the greatest number of witnesses.

For the benefit of all concerned, we will state that the communication in THE ORE CONTANTO THE 22d inst. over the signature of "Rix" is a republican, and not a democrat, who has been writing recently to Yambill papers over the signature of Rix. Rix is not
